Oconee Brewing Company, 202 N. West Street · Greensboro GA 30642

SPONSORSHIP OPPORTUNITIES

What's the Dawgy Dash?

Now in its 15th year, the Dawgy Dash 5K Walk/Run was created by Dr. Robert and Nancy Lewis to raise funds for Circle of Friends Animal Society (COFAS).

As a veterinarian, Dr. Lewis saw firsthand how much COFAS does to help homeless animals in Georgia, and how hard they work to survive on a small budget. Despite having no shelter building and no paid employees, **COFAS has rescued more than 11,000 pets** since the race began!

COFAS rescues healthy puppies and kittens, but they also save adult and senior pets, pets with injuries or illnesses, and pets with disabilities. The Dawgy Dash was created to support this commitment to the animals most in need.

This family-friendly, pet-friendly 5K run through the streets of Greensboro is a local tradition that gets better every year! It's the main fundraiser for COFAS, and provides them with a much-needed infusion of funds to continue to help homeless animals in our community.

Be a hero for homeless animals. Become a Dawgy Dash sponsor!

Why be a Dawgy Dash Sponsor?

Sponsors make it possible for the funds generated from race entry fees to go directly to COFAS. The race organizers get as many items donated as possible, but there are unavoidable expenses, such as t-shirt printing and police to direct race traffic. Sponsorships cover these costs, so that as much money as possible goes directly to COFAS.

Sponsorship Level
